- Rome VALUABLE/BOFIEND Relations

Reference: SGAA-3146, 20 March 1953

1. Reference dispatch was held for discussion with [] during his recent visit to the United States. With the exception of paragraph 2, all points contained in reference will be brought up for discussion with the British at the next VALUABLE/BOFIEND meeting.

2. With regard to paragraph 2 of reference, it is considered undesirable that VALUABLE liaison with HYMEIGH be maintained through HYMEIGH headquarters in New York. Policy coordination should continue at the London-Washington level and any disagreements resulting from headquarters directives which arise in Rome and which cannot be resolved there should be referred to London and Washington for final decision. We appreciate the difficulties involved for [] in this system. However, the presence of a VALUABLE representative in New York would require a full-time BOFIEND representative also, which is neither desirable nor justifiable.
